Una linea che guarda al futuro, all'ambiente e che rende più concreto e raggiungibile l'obiettivo di un considerevole risparmio energetico. Oltre alla funzionalità, Ascot propone modernità e design, con ampi formati in versione Lux e Matt, svariate tonalità adatte anche per essere miscelate tra loro innovative decorazioni per aggiungere un tocco di personalità. Per una collezione che arreda, pensando al futuro...

Besides performance, Ascot proposes contemporaneity and design in a range with lots of formats in the Lux and Matt versions, plus different nuances that can be mixed-and-matched together and ultra-new decorations to add an extra touch of personality. A collection that adds style, with the future in mind...
